#### Rider DRCR – Demand Response Cost Recovery

The Demand Response Cost Recovery Clause provides a mechanism to recover the amount of expenditures and related costs approved by the Iowa Utilities Commission for the recovery through the application of cost recovery factors.

Cost Recovery Factors to be applied effective June 1, 2026.

| <u>Class</u>                                                 | <u>Price Codes</u> | <u>\$/kWh</u> |   |
|--------------------------------------------------------------|--------------------|---------------|---|
| Residential Service                                          | 400, 407, 427, 507 | 0.0042        | R |
| Non-Residential<br>General Service                           | 600, 607, 707      | 0.0023        | R |
